

Bruno Santullo Krumenacker is physiotherapist with more than 20 years of experience. He achieved the PT bachelor's degree in Chili and moved to Turin, Italy on 2006 where he studied for the Master in sports traumatology at UNITO (Università degli Studi di Torino). In 2007 was enabled to work as a PT in Italy and in 2015 also in France. Since then has worked as PT of the Asti Rugby team between 2009-2013 and from 2009 to 2019 in Hastafisio, a sports medical center in Asti, Italy, where he leaded the physiotherapists team, worked as clinical tutor and performed clinical activity focus on upper limb rehabilitation, specifically shoulder related problems. His commitment with the European Society for Shoulder and Elbow Rehabilitation – EUSSER started on 2017 when he became member of the Education committee, from 2019 - 2021 was chairman of EUSSER's EdComm and in 2021 became President of EUSSER until 2023. Now a days he's a full-time clinician, self-employed working in Asti and Turin where daily practice means upper limb rehabilitation. He's still commit with EUSSER as Past President and Treasurer of ICSSSET – International Confederation of Scientific Societies for Shoulder and Elbow Therapy on behalf of EUSSER.
